SECTION B (15%)

Choose ONE question only. Recommended time 20 minutes

EITHER

B1. You are going to take a small group of visitors for a walk round Canterbury lasting roughly one hour. You have already visited the Cathedral and your walk will start and finish outside the Christgate. Indicate the route you would take, the stops you would make and the main points you would wish to relate at each stop.

OR

B2. You have been asked to take a group on a coach tour through the Cotswolds lasting approximately two hours to start and finish in Woodstock. List the villages you would hope to include in such a tour and indicate briefly what points you would want to make with reference to each of the villages you have mentioned.

OR

B3. You are taking a group by coach to Windsor for a visit to the castle. Indicate what you would tell them about the history of the castle and the role it plays today in the life of the Royal Family.

SECTION C (25%)

You MUST attempt BOTH parts of this question. Recommended time 30 minutes

PART ONE

You have been asked to take a group of 40 tourists for a day's excursion to Stonehenge and Bath. The excursion includes entrance to Stonehenge and the Roman Baths in Bath and lunch at a pub in a small village just outside Bath. Lunch is booked for 1.00 p.m. You are required to meet the group at their West London hotel at 8.30 a.m. and to return them to the same hotel no later than 5.30 p.m. as they have a theatre visit booked. A 53 seater coach has been booked from the Go Anywhere Coach Company.

You decide to go to Stonehenge first and then Bath.

Write down a timetable for this excursion.

You may make the following assumptions:

The visit to Stonehenge will last one hour.

Lunch will take one hour.

PART TWO

Thirty minutes after you leave London, you come to a major traffic hold up and lose thirty minutes. Explain how you will re-schedule your day in order to fit everything in.

At Stonehenge, one of your clients is accused of shoplifting from the gift shop. Consider what action the shop might want to take and how you would deal with this situation?

When you arrive in Bath you discover that there has been an emergency in the Baths which has meant that they have been closed to visitors for the rest of the day. What alternatives to a visit to the Baths can you suggest to your clients?
